

Cable clamp KL 46 HDG

SORMAT CODE 9640013046

Steel cable clamps that can be attached to different bar profiles

- KL and KP are clamps which can be attached in various types of bars, profiles, and sheet formed structures.
- The size digits indicate the maximum cable/tube diameter.
- Size marking 26/2 indicates that the clamp is suitable for fixing two Ø 26 mm cables.

PRODUCT OVERVIEW

Other codes	SNRO 1324193 /
