

Cable clamp KL 14/2 HDG

SORMAT CODE 9640013066

Steel cable clamps that can be attached to different bar profiles

- KL and KP are clamps which can be attached in various types of bars, profiles, and sheet formed structures.
- The size digits indicate the maximum cable/tube diameter.
- Size marking 26/2 indicates that the clamp is suitable for fixing two Ø 26 mm cables.

PRODUCT OVERVIEW

Other codes	SNRO 1324465 /
Material	Steel, zinc-coated steel sheet
Packages	outer carton: 200 / pallet: 5600
Weight	58.0 kg / 1000

Technical data

INSTALLATION DETAILS

Width across flats (SW)	10
Suitable diameter, Ø mm	14
Height	80
