SORMAT

Setting tool LT+ 10 PRO

SORMAT CODE 9640079310

Essential tool for safe and quick installation of drop in anchors LA

- It is essential to use original and designated setting tools LT+ or LT+ PRO for drop in anchor installations.
- Type PRO is equipped with hand protection rubber to cover the hand while installing the anchor.
- Drop in anchors cannot be tightened with a screw or a bolt!
- Using other make-do tools instead of proper setting tools when installing displacement controlled anchors can damage the threads and thus complicate installations.

PRODUCT OVERVIEW

Other codes	SNRO 6400432 /
Material	Polyethylene / Steel, zinc plated
Packages	piece: 1 / outer carton: 5 / pallet: 280
Weight	257.0 kg / 1000
GTIN-13	6416031793103
Availability	end of life

APPLICATIONS

- For drop in anchors
